#### Airbnbs

We would like to encourage you to book an Airbnb property with other GCL colleagues. This option would allow you to save money and to get to know other GCLs in an informal setting. If interested, please let us know before **1<sup>st</sup> December** at [GCL.Lyon@ashoka.org](mailto:GCL.Lyon@ashoka.org). We will compile a list of interested people that we will circulate around so you can identify and directly search for possible flatmates.

You will find below a list of properties in the city centre of Lyon to give you an idea of what you could find. This is by no means an exhaustive list. You can explore other possibilities if these properties don't fit your needs or if they have been already booked. Enjoy the search!
